**What are we at NLAC doing to live generous lives?** Recognizing that God calls us to live a generous life, which means to give and to grow as a Christian. God owns all that we have and we want the blessings promised by God as we strive to serve the Lord. We hereby choose to accept God's plan for us to give. Jesus said that we ought to give a minimum of 10% of what we have been blessed with from the Lord (Luke 11:42). Please consider being faithful to His teachings by giving a **Tithe** or at least beginning to move in that direction. A Tithe is a dime out of each dollar or 10% of any money that you receive, paycheck, gifts, etc. Luke 6:38 says, “Give, and it will be given to you. A good measure, pressed down, shaken together, and running over, will be poured into your lap. For with the measure you use, it will be measured to you.”

**Please fill out what you will be giving for the work of Christ at  
New Life At Calvary for the year 2024.**

**My Tithe: I pledge to give back a portion of the Lord’s income entrusted to me in the amount of:**

**Supporting Our Pastors:**

New Life At Calvary is blessed to have two full time pastors. We have a full-time Lead Pastor and a full-time Assistant Pastor. We need your support to help us maintain our Pastors and our ministries by going a step further.

I am also willing to be generous to continue to provide a full-time salary for Pastor Kellie as our Lead Pastor and a full-time salary for Pastor Antonia as our full-time Assistant Pastor.

I choose to make the following donation in addition to my Tithe, for us to pay for our Pastors for the full-time work that they do, so that together we can complete the purpose for our church. *(Please fill in your level of generosity. This does not increase our Pastors' salary; it just makes sure we have the money to pay them what we promised.)*

**Building on Faith Project:** Our building was struck by a historic EF-1 Tornado on August 24, 2023. We had already been in a building campaign, that began in 2022. The tornado caused catastrophic damage. We thank God that no one was hurt, and that we already had plans in place. So, help us continue our plans by continuing to give in 2024. Make a new pledge. Many gave in 2022, many more gave in 2023. Make a new commitment for 2024.

- I would like to make a pledge for the Building On Faith Project for 2024 in amount listed below. This is above and beyond my normal Tithes and Offerings.
