# Fees Associated With Building Use and Pastoral Services

Session has final authority to approve or disapprove the use of the building for any reason it may deem necessary. Requests for use of the building shall be made in writing and given to the clerk of Session. We hold the biblical conviction that a marriage can only be between a man and a woman as found in the Bible. We do not allow same sex unions/marriages/etc. to take place in or on our premises.

Church functions take precedence over all other requests. All deposits are nonrefundable, unless an event had to be cancelled because of an unforeseen conflict. Session meetings are normally held on the second Thursday of the month at 6pm.
